

Dear Prospective Police Academy Cadet,

I want to thank you for your interest in the Navarro College Police Academy. Navarro College Police Academy provides comprehensive, professional training that prepares you for entry into the law enforcement field. Our training encompasses all the mandated topics required by the Texas Commission on Law Enforcement for the Basic Peace Officer Course as well as certification in OC Spray, Taser and Baton.

Navarro College currently operates police academies in multiple locations which includes the Corsicana and Waxahachie campuses. We provide full time academy schedules that generally run 8:00 to 5:30 Monday through Friday. Additionally, we seek to accommodate the working person by providing academies 6:00 p.m. to 10:30 p.m., Monday through Thursday nights. The day academies are approximately 18 weeks in length and the night academies are approximately 36 weeks in length.

Some instructional modules may require the cadet to travel to another campus or location for part or all of the specialized instructional modules. Additionally, there are written assignments outside of the classroom that will need to be completed.

Navarro College provides financial aid for many students. The aid encompasses everything from grants to student loans with great terms. Financial aid is just one method of paying your tuition. You may also pay with cash, personal check, cashier's check, money order or credit card. If you currently hold a Bachelor degree or higher you would not be eligible for financial aid.

If you have any questions, feel free to call.

Regards,

Alan Eddins
