EDUCATIONAL ISSUES PERTAINING TO PREGNANCY, POSTPARTUM RECOVERY, AND OTHER PHYSICAL OR MENTAL HEALTH CONCERNS

A student who foresees educational issues related to pregnancy, postpartum recovery, or mental health is strongly encouraged to notify the College as soon as possible. By doing so, the student and College personnel can collaborate and develop an appropriate plan for the continuation of the student's education. Pre-planning, when possible, also may help with particular challenges a student faces while pregnant, when recovering from childbirth, or in response to a physical or mental health

concern (e.g., missed classes, make-up work). The choice to inform the College of any condition such as a pregnancy or a mental health concern is voluntary as a student is not required to share this information with the College. In making the decision as to whether or not to disclose this information, a student first may choose to consult with a college counselor at the [Bulldog Mental Wellness Center \(BMWC\) website](#) or the [Office of Accessibility and Accommodations](#)

For more information regarding Provisional or Temporary Accommodation please speak with the representative in the Office of Accessibility and Accommodations.

STUDENT COMPLAINTS/ GRIEVANCE PROCEDURES

A student complaint/grievance is a Navarro College related problem or condition that a student believes to be unfair, inequitable, discriminatory, or a hindrance to the educational process. A complaint/grievance also includes discrimination on the basis of race, color, religion, national origin, sex, disability, age, sexual orientation, gender identity, or gender expression.

Navarro College encourages students to discuss their concerns and complaints, whether instructional or non-instructional, through informal conferences with the appropriate instructor or other administrator.

STUDENT DISCRIMINATION GRIEVANCE PROCEDURE

Any student who believes he/she has been discriminated against by College personnel for any reason, including discrimination on the basis of sex, color, national origin, age, or handicap, has the right to expect due diligence and should contact the Office of Student Services at student.services@navarrocollege.edu within ten business days of the initial concern.

Review [Section FFD.3 | Student Discrimination Grievance Procedures](#) within the Board Policy and Procedures website.

STUDENT / INSTRUCTOR CONFLICT RESOLUTION

If a student feels an instructor has treated him/her unfairly, the student should take the appropriate steps found in the [Navarro College Policy and Administrative Procedures – FKC.2 Student Complaints/Grievance](#) to resolve the issue.

The only exception of safety matters (e.g., harassment, sexual misconduct, Title IX complaint) which should be referred to the Title IX Office. For more information or to make a complaint regarding sexual harassment or sexual misconduct, use this link to review [Title IX Contact Information](#).

You can also review Title IX Policies and Processes at the Navarro College [Navarro College Title IX website](#).

NOTE: Under certain circumstances, students may not be allowed to continue in class until the grievance or appeal is resolved.

WITHDRAWAL FROM THE COLLEGE

NOTE: Students may be required to repay some, or all financial aid received for the semester.

TRANSFER OF CREDITS

Navarro College has the highest accreditation possible for any college or university. With this recognition, Navarro College credits are regarded as equivalent to courses with similar descriptions at other colleges and universities. Transfer problems usually occur when students elect to deviate from their approved degree plan. Examples of transfer difficulties include those encountered by students who change majors or change from workforce education to transfer programs. Workforce education programs include certificates of completion and associate of applied science degrees, which are meant for students intending to enter the workforce rather than transfer to a four-year college or university. Success Coaches have thorough information on credit transfer. Students should work with a Success Coach to select a degree plan consistent with the student's educational goals. Changes in plans should be discussed with the Success Coach to help avoid potential problems. Students can gain additional information from the website of the intended college and from the Texas Common Course Numbering System online matrix (<http://www.tccns.org>).

Review the [College Credit Policy](#) of the Navarro College Catalog for additional information.

TRANSFER CREDITS FROM OTHER INSTITUTIONS

Review the [Navarro College Board Policy and Administrative Procedures Section EGA.1 – Instruction Academic Achievement Transcripts](#) for additional information regarding transcribing transfer credit and resolution of disputes concerning transfer courses.

You can also review the [Navarro College Catalog – Academic Policies and Information – College Credit Policy - Transcripts](#)

Students who wish to restrict directory information should realize that their names will not appear in the commencement bulletin and other college publications. Also, employers, credit card companies, loan agencies, scholarship committees and the like will be denied any of the student's directory information and will be informed that we have no information available about the student's attendance at Navarro College.

Note: Because the college must make a reasonable effort to notify a student about the subpoena for their education records, all subpoenas for student records must be forwarded to the Registrar's Office.

RIGHT TO FILE A COMPLAINT

If a parent or eligible student feels that the college has not fully honored his/her privacy rights under FERPA, a written complaint may be filed with the Family Compliance Office, U.S. Department of Education, 400 Maryland Ave. SW, Washington, DC 20202-4605.

Hazing with or without the consent of the student is prohibited by Navarro College. Both the individual(s) inflicting the hazing and the person submitting to the hazing are subject to disciplinary action. The fact that an individual consented to a hazing activity is not a defense to prosecution of an offense under the hazing law, and neither will it be under the College's [disciplinary process](#).

Initiations or activities by organizations may not include any action or situation which is dangerous, harmful, or degrading to the student. A violation of this prohibition renders both the organization and participating individuals subject to discipline.

The disciplinary actions assigned/determined in a particular case will vary dependent on the nature of the conduct involved, the circumstances and conditions that existed at the time and the results that

followed such conduct. Possible sanctions may include but are not limited to disciplinary warning, disciplinary probation, removal from residence life, disciplinary suspension or withdrawal, and expulsion from the College.

HARASSMENT / SEXUAL HARASSMENT, INTIMIDATION AND BULLYING

Navarro College will not condone any form of [harassment, intimidation, or bullying](#) in the college setting and takes appropriate corrective, disciplinary and remedial action in response to such determined incidents.

Harassment consists of unwelcomed conduct, whether verbal, physical or visual, that is based upon a person's protected status, such as sex, color, race, ancestry, religion, national origin, age, physical or mental condition or disability, veteran status, citizenship status, or other protected group status. Sexual harassment means unwelcome sexual advances, requests for sexual favors and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

- Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress.
- Submission to, or rejection of, the conduct by the individual is used as the basis of employment or an academic decision affecting the individual.
- The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.
- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

For the purpose of further clarification, harassment/sexual harassment includes, but is not limited to:

- Making unsolicited written, verbal, visual or physical contact with sexual overtones. Some examples are: epithets, derogatory comments or slurs of a sexual nature impeding or blocking movements or any physical interference with normal work; derogatory posters or cartoons.
- Continuing to express sexual interest after being informed that the interest is unwelcomed. (Reciprocal attraction is not considered sexual harassment!)
- Within the work environment, engaging in explicit or implicit coercive sexual behavior which controls, influences, or affects the career, salary and/or work environment or any other term or condition of employment; within the education environment, engaging in explicit or implicit coercive sexual behavior which controls, influences, or affects the educational opportunities, grades and/or learning environment of the student.
- Making reprisals, threats of reprisal, or implied threats of reprisal following a negative response to a sexual advance. For example, within the work environment, either suggesting or actually withholding support for an appointment, promotion, or change of assignment; suggesting a poor performance report will be prepared or suggesting that a probationary period will be exploited. Within the educational environment, either suggesting or actually withholding grades earned or deserved; suggesting that a scholarship recommendation or college application will be denied.
- Offering favors or educational or employment benefits, such as grades or promotion, favorable performance valuations, favorable assignments, favorable duties or shifts, recommendation,

reclassification, etc., in exchange for sexual favors.

In addition, Navarro College defines “intimidation and bullying in the college setting” as the following: any gesture or written, verbal or physical act, or any use of electronic communication that:

- a) is motivated by an actual or perceived discriminating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or any other distinguishing characteristic, and
- b) a reasonable person should know, under the circumstances, that the acts(s) will have the effect of harming a student or damaging the student’s property, or placing a student in reasonable fear of harm to his person or damage to his property; or
- c) has the effect of insulting or demeaning any student or group of students in such a way as to cause substantial disruption in, or substantial interference with, the orderly, civil, and safe operation of the institution and/or the learning environment.

Any student with a concern of this nature should immediately consult the Executive Director of Student Services or the Director of Student Development and follow the [Student Grievance Procedures](#). Accordingly, any faculty or staff member who feels threatened by similar incidents should follow the grievance procedures outlined in the Navarro College Administrative Policies and Procedures Manual and should report such incidents in a timely manner.

SEXUAL HARASSMENT AND MISCONDUCT

Navarro College is committed to maintaining and strengthening an environment founded on civility and respect. The College is committed to providing programs, activities, and an educational environment free from sex discrimination. With this in mind, the College prohibits all forms of Sexual Misconduct--condoning and strictly prohibiting offenses involving domestic violence, dating violence, sexual assault and stalking, harassment, or related behaviors.

The College fosters a community that promotes prompt reporting of all types of Sexual Misconduct and timely and fair resolution of Sexual Misconduct allegations. The College has appointed a [Title IX Coordinator](#), established grievance procedures (the College’s Sexual Misconduct Procedures) for the handling of allegations of Sexual Misconduct, and developed Sexual Misconduct-related education and training programs.

Title IX Orientation

Incoming freshman and undergraduate transfer students are required to complete Title IX Orientation before or during the first semester or term in which the student is enrolled.

A student who has not completed Title IX Orientation will acquire a registration hold on their student account and will not be able to register for subsequent semesters or

terms until the Title IX Orientation requirement has been satisfied.

COMPLICITY

A Student shall not through act or omission, assist another student, individual, or group committing or attempting to commit a violation of the [Code of Student Conduct policy](#).

STUDENT DRESS AND APPEARANCE CODE

The primary purpose of Navarro College is to conduct education. College officials consider this activity second to none in its importance and believe it should be so regarded by the students. Thus, a mature attitude should be demonstrated by the dress and appearance of the students while attending classes or engaging in other programs or functions on all Navarro College locations. The student is expected to maintain the same standards of dress and personal grooming on all Navarro College locations that would ordinarily be maintained by those engaged in other serious activities. Obvious violations of these standards may be subject to disciplinary action.

ENSURING APPROPRIATE ADJUDICATION FOR CRIMES VIOLATING CIVIL RIGHTS

Navarro College ensures the protection of civil rights through preventative measures, educational programming, and prompt responsiveness to violations thereof. Students who feel that their rights or access to educational programming and activities may have been violated should report concerns promptly. Furthermore, reports concerning suspected harassment or discrimination must be investigated and resolved appropriately. With this in mind, students who are affected by suspected incidents may be notified in order to allow those individuals the right to participate in the investigatory and adjudication processes under the appropriate processes, typically the [Student Code of Conduct](#) or the personnel disciplinary process. While affected students may choose whether to participate in either of the investigatory, adjudication, and/or appeal processes when such incidents are reported, certain processes (e.g., the [Title IX Sexual Harassment Policy](#)) may entail more detailed requirements with this regard. In addition to following these processes, a student may choose to pursue a grievance as referenced and applicable under the [Student Discrimination Grievance Procedure](#).

DISCIPLINARY PROCEDURES FOR STUDENT MISCONDUCT

All students are encouraged to review the [Students Rights and Responsibilities section FK](#) of the Navarro College Board Policy and Administrative Procedures.

Remember, every decision carries a consequence.

Texas House Bill 449 (2019) adds Section 51.9364 to Chapter 51 of the Texas Education Code, requiring public and private institutions of higher education to include a “notation” on a student’s transcript when “the student is ineligible to reenroll in the institution for a reason other than an academic or financial reason.” This may encompass any conduct concern.

*Additionally, state law mandates that the student’s transcript a) may be withheld pending investigation and b) include a notation regarding ineligibility to return due to disciplinary processes (e.g., withdrawal, suspension, expulsion) – TX HB 449 and 1735 (2019).

AUTHORIZED DISCIPLINARY ACTIONS

RESIDENCE HALL LEVEL

Any residence hall specialist may take certain actions in response to violations of the [Student Code of Conduct](#) or the [Residence Life Handbook](#). They also respond to specific complaints by members of the residential community.

NAVARRO COLLEGE LOCATIONS – COLLEGE ADMINISTRATIVE LEVEL

The following actions are available to college administrative personnel to deal with repeated or serious violations of the Student Code of Conduct or college policies. Actions may be taken at the level deemed appropriate depending on the seriousness of the violation and the past record of the student. Please take notice that an incident of misconduct may involve more than one violation and may result in action being taken at various levels of the college administration, from the advisors of residential operations to the Behavior Intervention Team. Action at one level regarding a particular violation does not preclude action being taken at another level regarding other violations arising from

the same incident.

1. Written Warning is official notice to the student that their past behavior is not in accordance with college expectations; is educational in nature, but also forms a basis for more severe action in case of further violations.
2. Restitution may be assessed in cases where damage to property has occurred or a fine exists for a specific action. Financial action may involve a replacement or repair charge, a punitive charge or a combination.
3. Restrictions and Suspension of Activities are actions which restrict or prohibit a student's use of college facilities or services; prohibit participation in extracurricular activities; and/or terminate college employment. Actions may include, but are not limited to:
 - a. No participation in student organizations.
 - b. No use of college facility, such as the student center.
 - c. No participation in college activities, such as dances, parties, intramurals, etc.
 - d. Removal from a residence hall.
 - e. Suspension of specific privileges such as residence hall visitation. Other actions may be taken, as appropriate to the violations.
 - f. Terminations or refusal of college employment.
4. Revocation of Scholarship will occur when students receiving performance scholarships are restricted from continuing to receive that assistance. Athletic scholarships also may be revoked pursuant the terms of Athletic Code of Conduct. This will occur when deemed appropriate in view of the specific violation, which has occurred.
5. Behavioral Contract of Referral would require the student enter into a binding contract to structure their activities and behavior in order to change that behavior to eliminate the need for further disciplinary action. Referral to other resources for assistance, either on or off Navarro College premises, also may be required for the student to remain enrolled and/or on Navarro College premises. Referral may be separate or part of a behavioral contract. Community service requirements may be part of any contract.
6. Disciplinary Probation usually involves any or all the actions listed in sections 1 through 5. This is used only when the student's actions and past behavior or doubt of their ability to act in a responsible manner and to successfully adjust to a college environment are noted. Failure to abide by these restrictions and conditions will result in suspension. This action normally is in effect for at least one regular academic semester.
7. Suspension is used when other attempts to change behavior have failed. This involves suspension from enrollment and presence on the Navarro College premises at any time. This action will be in effect for at least one long semester and may constitute permanent severance from the college. The length of the suspension will be determined by the seriousness of the actions and the possibility of future problems with the student.
8. Immediate Suspension is used when a student's presence poses continuing danger to people or property or an ongoing threat of disruption to the academic process. The student may be immediately removed from the college with loss of all college privileges. In such incidents, a notice of hearing to the student will follow for resolution of the matter as soon as is practical.

All students involved in disciplinary actions will be reviewed periodically during their effective period to determine whether they are willing to make an effort to engage in responsible behavior.
