The business classes that I took at Navarro were amazing!

Jasmine Saunders: Hi, my name is Jasmine Saunders and I'm the owner of Live Chic Boutique. Um, I am a Navarro College alumni. I graduated in 2017.

I was a non-traditional student. Um, I did attend Navarro College full-time while working two jobs. So really going, um, juggling the two.

It really helped me learn time management and the business classes that I took at Navarro were amazing.

Um, I use accounting and what I do every single day, so that's really helped me succeed in my business.

Uh, we recently celebrated 2 years here at Live Chic. Um, I've been in business for four years, since 2020. We started online as an online boutique, and now we, uh just celebrated two years in our storefront.

We also just celebrated winning the Best Downtown Business Award in the State of Texas along with four, um, Best of the Best awards for 2024.

And last year we won five Best of the Best awards for 2023.
